REMARKS

50X1-HUM

1. From 27 July to 1 August 1953, eight AA gun emplacements, at which soldiers were working, were observed in an area, about 200 meters square, about 20 meters north of the autobahn in Gleiwitz and west of former Foster Strasse. 50X1-HUM

[] these emplacements were constructed in June 1953. AA guns, which had been replaced there, left the site in about mid-July 1953. 50X1-HUM

2. During the first week of August 1953, armored vehicles from the laband (Q 51/Y 38) tank factory were posted on the autobahn north of Gleiwitz at day and night.

50X1-HUM

3. [] Comment. In October 1952, a resettler observed several units including an AAA unit which returned from its fall maneuvers. [] It is believed that this unit occupied the AA gun emplacements mentioned in the present report.
